Loveability Aug 05 2020 "Love is your destiny. It is the purpose of your life. It is the key to your happiness and to the evolution of the world." Loveability is a meditation on love. It addresses the most important thing you will ever learn. All the happiness, health, and abundance you experience in life comes from your ability to love and be loved. This ability is innate, not acquired. Robert Holden is the creator of a unique program on love called Loveability, which he teaches worldwide. He has helped thousands of people to transform their experience of love. "Love is the real work of your life," says Robert. "As you release the blocks to love you flourish even more in your relationships, work, and life." In Loveability, Robert weaves a beautiful mix of timeless principles and helpful practices about the nature of true love. With great intimacy and warmth, he shares stories, conversations, meditations, and poetry that have inspired him in his personal inquiry on love. Key themes include: • Your destiny is not just to find love; it is to be the most loving person you can be. • Self-love is how you are meant to feel about yourself. It is the key to loving others. • When you think something is missing in a relationship, it is probably you. • Forgiveness helps you to see that love has never hurt you; it is only your misperceptions of love that hurt. • The greatest influence you can have in any situation is to be the presence of love.

Love 2.0 Nov 07 2020 In this groundbreaking relationship book, positive emotions expert Barbara L. Fredrickson gives us an entirely new way of understanding love and appreciating its benefits. "A radically new conception of love."—The Atlantic Even more than happiness and optimism, love holds the key to improving our mental and physical health as well as lengthening our lives. Using research from her own lab, Barbara L. Fredrickson redefines love not as a stable behemoth, but as micro-moments of connection between people—even strangers. She demonstrates that our capacity for experiencing love can be measured and strengthened in ways that improve our health and longevity. Finally, she introduces us to informal and formal practices to unlock love in our lives, generate compassion, and even self-soothe. Rare in its scope and ambitious in its message, Love 2.0 will reinvent how you look at and experience our most powerful emotion. "I wish I had known years ago about...Barbara Fredrickson...In particular her theory that accumulating 'micro-moments of positivity,' like my daily interaction with children, can, over time, result in greater overall well-being."—Jane Brody, The New York Times

Love in the Present Tense May 02 2020 From the bestselling author of Pay It Forward comes a moving novel about the bond between a five year old abandoned by his mother and the man who raises him. After accidentally killing a police officer five years ago, Pearl has managed to protect her bright, frail young son Leonard from her violent past. Then one day, Pearl drops him off with their neighbor Mitch, and never returns. Mitch is far from the ideal caretaker--he's having an affair with a client's wife--but he and Leonard must find a way to bridge the gap between them as they bond as parent and child. Gritty but big-hearted, Love in the Present Tense is an inspiring story of love and the surprising forms it can take.

With a Name like Love Jul 04 2020 One of School Library Journal's Best Fiction Books of 2011 When Ollie's daddy, the Reverend Everlasting Love, pulls their travel trailer into Binder to lead a three-day revival, Ollie knows that this town will be like all the others they visit— it is exactly the kind of nothing Ollie has come to expect. But on their first day in town, Ollie meets Jimmy Koppel, whose mother is in jail for murdering his father. Jimmy insists that his mother is innocent, and Ollie believes him. Still, even if Ollie convinces her daddy to stay in town, how can two kids free a grown woman who has signed a confession? Ollie's longing for a friend and her daddy's penchant for searching out lost souls prove to be a formidable force in this tiny town where everyone seems bent on judging and jailing without a trial.

Love Lettering Mar 12 2021 Meg Mackworth's hand-lettering skill has made her famous. She has another skill too: reading signs that other people miss. Knowing the upcoming marriage of Reid Sutherland and his polished fiancée was doomed to fail is one thing but weaving a secret word of warning into their wedding program is another. Meg

may have thought no one would spot it, but she hadn't counted on sharp-eyed, pattern-obsessed Reid

Dance Me to the End of Love Jun 14 2021 10 years ago, Welcome Books published the star of its Art & Poetry Series, *Dance Me to the End of Love*, a deliriously romantic song by Leonard Cohen that was brilliantly visualized through the sensual paintings of Henri Matisse. Now for its 10-year anniversary, Welcome is thrilled to present the entirely re-imagined and redesigned *Dance Me to the End of Love*. With the art of Matisse and the words of Cohen still at the heart of the book, the new look and feel of this Art & Poetry book is overwhelmingly beautiful. Cohen's song is a lyrical tribute to the miracle of love, the grace it bestows on us and its healing, restorative power. Originally recorded on his *Various Positions* album, and featured in Cohen's anthology, *Stranger Music*, this poetic song is gloriously married to the art works by Henri Matisse, perhaps the greatest artist of the twentieth century. "I had this dance within me for a long time," Matisse once said in describing one of his murals. *Dance Me to the End of Love* is the perfect book for art lovers, song lovers, and all other lovers as well.

What Love Is Sep 29 2022 What is love? Aside from being the title of many a popular love song, this is one of life's perennial questions. In "What Love Is," philosopher Carrie Jenkins offers a bold new theory on the nature of romantic love that reconciles its humanistic and scientific components. Love can be a social construct (the idea of a perfect fairy tale romance) and a physical manifestation (those anxiety-inducing heart palpitations); we must recognize its complexities and decide for ourselves how to love. Motivated by her own polyamorous relationships, she examines the ways in which our parameters of love have recently changed to be more accepting of homosexual, interracial, and non-monogamous relationships and how they will continue to evolve in the future. Full of anecdotal, cultural, and scientific reflections on love, "What Love Is" is essential reading for anyone seeking to understand what it means to say I love you. Whether young or old, gay or straight, male or female, polyamorous or monogamous, this book will help each of us decide for ourselves how we choose to love. "

Clarks in Jamaica Apr 24 2022 In Jamaica, Clarks are loved like no other brand. They are the island's ruling name in footwear -- the "champion shoes" -- and it has been that way for as long as anybody can remember. This book celebrates the rich history of Clarks in Jamaica, with a focus on the Jamaican reggae and dancehall musicians who have worn and sung about Clarks shoes through the years. Documenting the origins of the Clarks brand in 1825 through to the introduction of their shoes into Jamaica in the 1920s and the impact of styles such as the Desert Boot, Wallabee and Desert Trek on the island, *Clarks in Jamaica* explores how footwear made by a Quaker firm in the quiet English village of Street, Somerset became the "baddest" shoes in Jamaica and an essential part of the island's culture. Building on the success of the first release in 2011, this updated second edition includes new interviews, previously unseen photographs, insights into Jamaica's favourite styles of Clarks from former company employees, and an expanded chapter on Jamaican fashion detailing the histories of island fashion staples such as the mesh marina (string vest), Arrow shirt, knits ganzie and beaver hat. Beautifully presented and thoroughly researched, *Clarks in Jamaica* is a wonderful document of Clarks' deep roots in Jamaican culture, a fitting tribute to the rich cultural exchange that has taken place between Jamaica and the UK that will appeal as much to Jamaicaphiles and lovers of Clarks shoes as to musicologists, fashion stylists and cultural historians.

People Love You Jan 02 2023 What you experience is what you remember. The more emotional the experience, the deeper it is branded into your memory. Experience has a massive impact on buying decisions. Every touch point, every time you or someone in your company engages a customer, it creates an experience - something they remember. When they have a negative experience, they tend to vote with their feet (and their wallets) and head straight to your competitors. When customers have positive emotional experiences, it anchors them to your brand, your product or

service, and ultimately to you. In the twenty-first century, competitive advantages derived from unique products are services are short-lived because competitors are able to quickly and easily duplicate or match your offering. Likewise a focus on customer satisfaction and loyalty will no longer give you the competitive edge. Delivering a legendary customer experience has emerged as the single most important competitive advantage for companies across all industries. In *People Love You* you'll learn the real secrets of customer experience including: 7 Essential Principles of Customer Engagement 5 Levers for Creating a Legendary Customer Experience The Secret to Bridging the Experience Gap How to Leverage the Pull Strategy to become a Trusted Advisor 2 Most Important Rules for Dealing with Pissed-off Customers In a hypercompetitive, global marketplace protecting your company's customer base, the lifeblood of your business, must become your number one priority. The rubber hits the road with account managers, project managers, sales professionals, and customer service professionals—the people most connected to customers—who are on the frontlines of customer experience. They build unique and enduring emotional connections with customers that creating long-term revenue and profit streams. In *People Love You*, human relationship guru, Jeb Blount, gives you a powerful playbook for interacting with customers in a way that creates deep, enduring, visceral connections that withstand relentless economic and competitive assaults.

Love and Electronic Affection Sep 05 2020 *Love and Electronic Affection: A Design Primer* brings together thought leadership in romance and affection games to explain the past, present, and possible future of affection play in games. The authors apply a combination of game analysis and design experience in affection play for both digital and analog games. The research and recommendations are intersectional in nature, considering how love and affection in games is a product of both player and designer age, race, class, gender, and more. The book combines game studies with game design to offer a foundation for incorporating affection into playable experiences. The text is organized into two sections. The first section covers the patterns and practice of love and affection in games, explaining the patterns and practice. The second section offers case studies from which designers can learn through example. *Love and Electronic Affection: A Design Primer* is a resource for exploring how digital relationships are offered and how to convey emotion and depth in a variety of virtual worlds. This book provides: - A catalog of existing digital and analog games for which love and affection are a primary or secondary focus. - A catalog of the uses of affection in games, to add depth and investment in both human-computer and player-to-player engagement. - Perspective on affection game analyses and design, using case studies that consider the relationship of culture and affection as portrayed in games from large scale studios to single author independent games. - Analysis and design recommendations for incorporating affection in games beyond romance, toward parental love, affection between friends, and other relationships. - Analysis of the moral and philosophical considerations for historical and planned development of love and affection in human-computer interaction. - An intersectionality informed set of scholarly perspectives from the Americas, Eurasia, and Oceania. Editor Bio: Lindsay D. Grace is Knight Chair of Interactive Media and an Associate Professor at the University of Miami School of Communication. Prisoner of Love Nov 19 2021 Starting in 1970, Jean Genet—petty thief, prostitute, modernist master—spent two years in the Palestinian refugee camps in Jordan. Always an outcast himself, Genet was drawn to this displaced people, an attraction that was to prove as complicated for him as it was enduring. *Prisoner of Love*, written some ten years later, when many of the men Genet had known had been killed, and he himself was dying, is a beautifully observed description of that time and those men as well as a reaffirmation of the author's commitment not only to the Palestinian revolution but to rebellion itself. For Genet's most overtly political book is also his most personal—the last step in the unrepentantly sacrilegious pilgrimage first recorded in *The Thief's Journal*, and a searching meditation, packed with visions, ruses, and contradictions, on such life-and-death issues as the politics of the image and the seductive and treacherous character of identity. Genet's final masterpiece is a lyrical and philosophical voyage to the bloody intersection of oppression, terror, and desire at the heart of the contemporary world.

We Love Each Other Jan 10 2021 Love is everywhere! And it's not just us humans. From birds to elephants, rabbits to turtles, there is love and togetherness depicted on every page. I Love You Too, I Love You Three Jan 22 2022 As every parent knows, there is nothing more stressful than being away from a child even if it's only for a few days. In this heartwarming book, Wendy Tugwood captures perfectly how the love between a mother and child copes with separation. When we're apart I miss you so I wish I didn't have to go I miss your face, your touch, your smell, Your silliness I know so well. I think of how you sing to me, "I love you too... I love you three!" On goes our love and counting game A game that always ends the same. Needing to express how much they love each other, parent and child play the old familiar counting game. The child says "I love you," the parent replies "I love you too," and the child, gleefully, replies "I love you three!" From there they continue counting until they reach "I love you ten." **I Love You Too, I Love You Three** will delight parents and children alike and children will not only learn their numbers, they will gain assurance that, no matter what happens, the parent's love, like the counting game, will never end.

The Course of Love Dec 29 2019 Traces the way original ideals about romance change in the face of real-world challenges, exploring the relationship of Rabih and Kirsten, who endure life-affirming philosophical and psychological compromises after marrying and having children.

Love What Matters Oct 07 2020 In the bestselling tradition of *The Five People You Meet in Heaven* and *Humans of New York* comes a collection of authentic, emotional, and inspiring stories about life's most important moments, as curated by the editors at Love What Matters. "90% of the reads bring me to tears. I just can't believe the love this world truly has when all we see is hate. This is so uplifting." —Shelsea Where do you go when you want to feel inspired? When you want to forget about the divisiveness and the anger? For over five million people, that place is Love What Matters, a digital platform dedicated to finding and sharing the daily moments of kindness, compassion, and love that so often go overlooked. This curated collection of powerful stories features first person accounts and photographs that perfectly capture each moment: A husband learning he's about to be a dad. A new mom embracing her body. A cashier inadvertently teaching a young girl a lesson about patience. A bagel from a stranger that saved a homeless man's life. From long overdue adoptions to military heroes returning home; from a fireman's touching 9/11 tribute to what an old dinner plate found at a bake sale can teach us all about life—these are the moments that matter. They are genuine. Authentic. Raw. And they are perfect in their imperfection—just like all of us. You will no doubt experience goosebumps and tears, but this mosaic of life's moments will leave you with something even more profound: a reminder that, in the end, love always wins. "This really is the best page on Facebook. It renews your love of humanity. There are still good people. We need more reports of acts of kindness." —Johnny

Faces of Love Jul 16 2021 Acclaimed translator Dick Davis breathes new life into the timeless works of three masters of 14th-century Persian literature Together, Hafez, a giant of world literature; Jahan Malek Khatun, an eloquent princess; and Obayd-e Zakani, a dissolute satirist, represent one of the most remarkable literary flowerings of any era. All three lived in the famed city of Shiraz, a provincial capital of south-central Iran, and all three drew support from arts-loving rulers during a time better known for its violence than its creative brilliance. Here Dick Davis, an award-winning poet widely considered "our finest translator of Persian poetry" (*The Times Literary Supplement*), presents a diverse selection of some of the best poems by these world-renowned authors and shows us the spiritual and secular aspects of love, in varieties embracing every aspect of the human heart. "Davis [is] widely acknowledged as the leading translator of Persian literature in our time...*Faces of Love* has made the Persian originals into real and moving English poems." —Michael Dirda, *The Washington Post* For more than sixty-five years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,500 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

The Psychology of Romantic Love May 26 2022 What love is, why love is born, why it sometimes grows, and why it sometimes dies. Have you ever wondered how romantic love evolves? What the difference is between mature and immature love? What role sex plays in romantic love, and whether love necessarily implies sexual exclusivity? And, most important, how can we make love last? Originally published in 1980, this updated edition of *The Psychology of Romantic Love* explores the nature of romantic love on many levels—the philosophical, the historical, the sociological,

and the physiological. Nathaniel Branden explains why so many people say that romantic love is just not possible in today's world and-drawing on his experience with thousands of couples-finds that such love is still a possibility for anyone who understands its essence and is willing to accept its challenges. Branden sees it as a pathway not only to extraordinary joy but also to profound self-discovery. His vision of love is thoroughly appropriate to our time and grounded in our humanness.

Love and Youth Mar 31 2020 From the most romantic of the Russian greats, an enthralling selection of short stories and novellas An icon of Russian literature, Turgenev was able to contain the narrative sweep of a novel in a single short story. His protagonists experience the joy and painful turbulence of first love, the thrilling adventures of youth, and the layered reflections of maturity. His great skill is to make his readers feel alongside these characters, rendering their complex interiorities, whether nobility or serf, in these stories charged with a profound social conscience. This collection, in a lyrical new translation by Nicolas Slater, places Turgenev's great novella *First Love* alongside a selection of his classic stories. From the evocative rural scenes of 'Bezhin Meadow' and 'Rattling Wheels', to the pathos and humanity of 'The District Doctor' and 'Biryuk', these are stories to be lingered over.

Essays in Love Aug 29 2022 "Essays in Love will appeal to anyone who has ever been in a relationship or confused about love. The book charts the progress of a love affair from the first kiss to argument and reconciliation, from intimacy and tenderness to the onset of anxiety and heartbreak. The work's genius lies in the way it minutely analyses emotions we've all felt before but have perhaps never understood so well: it includes a chapter on the anxieties of when and how to say 'I love you' and another on the challenges of disagreeing with someone else's taste in shoes. While gripping the reader with the talent of a great novelist, de Botton brings a philosopher's sensibility to his analyses of the emotions of love, resulting in a genre-breaking book that is at once touching and thought-provoking."--Publisher's website.

Acts of Love Feb 20 2022 A bold, intelligent, and modern love story which reminds us that the most powerful relationships are not so much about two people finding each other as they are about that most human quest to find ourselves. Bernadette is expert at hiding the truth. She has built her career as a journalist on her talent for lulling powerful men into a false sense of security, then exposing them in her ruthless profile pieces. But in Radley Blake, she may have met her match. Immune to her charms, he seems to see through every layer of her carefully constructed act: right to the truth of who she is inside. We think we're looking for love - but what if it's ourselves we need to find? Talulah Riley's wonderful first novel is an irresistible will-they-won't-they tale that asks how it is we can strive for independence, but still believe in destiny...

Paper Love Apr 12 2021 One woman's journey to find the lost love her grandfather left behind when he fled pre-World War II Europe, and an exploration into family identity, myth, and memory. Years after her grandfather's death, journalist Sarah Wildman stumbled upon a cache of his letters in a file labeled "Correspondence: Patients A-G." What she found inside weren't dry medical histories; instead what was written opened a path into the destroyed world that was her family's prewar Vienna. One woman's letters stood out: those from Valy—Valerie Scheffel—her grandfather's lover, who had remained behind when he fled Europe six months after the Nazis annexed Austria. Valy's name wasn't unknown to her—Wildman had once asked her grandmother about a dark-haired young woman whose images she found in an old photo album. "She was your grandfather's true love," her grandmother said at the time, and refused any other questions. But now, with the help of the letters, Wildman started to piece together Valy's story. They revealed a woman desperate to escape and clinging to the memory of a love that defined her years of freedom. Obsessed with Valy's story, Wildman began a quest that lasted years and spanned continents. She discovered, to her shock, an entire world of other people searching for the same woman. In the course of discovering Valy's ultimate fate, she was forced to reexamine the story of her grandfather's triumphant escape and how this history fit within her own life and in the process, she rescues a life seemingly lost to history.

LOVE May 14 2021 A selection of the most touching and transformative expressions of romantic love drawn from Tate's collection. Divided among key themes - such as courtship, passion, symbolism, enduring love and even loss - each of the 50 works of art included has been individually selected for the particular way in which the artist has attempted to capture the ineffable, affirmative, devotional aspects of love. Works of art - including paintings, drawings, sculptures, illustrations and installations - are punctuated by brief captions adding background detail or additional information about the art, artists and their subjects. Sometimes chaste, sometimes frenzied, often passionate and occasionally heartbreaking, placed together these beautiful images create a fascinating and enlightening journey through the visual portrayal of love and sexuality in Western art. Proposed artists for inclusion: Felix Gonzalez-Torres, Wolfgang Tillmans, David Hockney, Sunil Gupta, Diane Arbus, Gwen John, Simeon Solomon, Auguste Rodin, William Blake, Bandele 'Tex' Ajetunmobi, Duncan Grant, Christopher Wool, Sir Lawrence Alma-Tadema, Sylvia Sleigh, Sophie Calle and many, many more.

How to Love Your Wife Nov 27 2019 Some people have suggested that a successful marriage requires tremendous insight to understand and super-human effort to achieve. Others contend that happy marriages are the purview of a lucky few. In this ground-breaking book, *How To Love Your Wife*, Dr. John Buri makes it clear he doesn't agree: thriving marriages can actually be achieved through sensible effort by reasonable people. But because the majority of

marriages in this country consist of unions in which wives are more heavily invested in marital success than are their husbands, much of this sensible effort by reasonable people needs to be consistently initiated and maintained by men. In fact, men often hold the keys to bringing about the type of loving marriage they had hoped for when they first said "I do." In How To Love Your Wife, Dr. Buri makes these keys clear, understandable, and accessible.
