The Jungle Mar 24 2022 A searing novel of social realism, Upton Sinclair's *The Jungle* follows the fortunes of Jurgis Rudkus, an immigrant who finds in the stockyards of turn-of-the-century Chicago a ruthless system that degrades and impoverishes him, and an industry whose filthy practices contaminate the meat it processes. From the stench of the killing-beds to the horrors of the fertilizer-works, the appalling conditions in which Jurgis works are described in intense detail by an author bent on social reform. So powerful was the book's message that it caught the eye of President Theodore Roosevelt and led to changes to the food hygiene laws. In his Introduction to this new edition, Russ Castronovo highlights the aesthetic concerns that were central to Sinclair's aspirations, examining the relationship between history and historical fiction, and between the documentary impulse and literary narrative. As he examines the book's disputed status as novel (it is propaganda or literature?), he reveals why Sinclair's message-driven fiction has relevance to literary and historical matters today, now more than a hundred years after the novel first appeared in print.

In the Jungle Mar 12 2021 Little ones can join in the fun *In the Jungle* by pulling out the sliders, pushing up the tabs and counting all the animals! How many lazy lions are yawning? How many zebras are skipping? Children will love playing with this bright and colourful board book with gentle rhyming text and beautifully illustrated by the award-winning Axel Scheffler. Also available: *On the Farm*

The Jungle Book of Leadership May 26 2022 This book describes a new model of leadership – the Leadership-Map –, that helps executive managers to navigate the intricacies and complexity of their executive functions. From her 20 years of experience Ruth Seliger has learned that leadership is more a question of organization than personality, which is why established ideas of what to do or not to do as an executive are short-sighted and often misleading. The introductory part of the book outlines the specific dilemmas and challenges of leadership and establishes a basis in systems theory. This is followed by a presentation of the main dimensions of leadership according to the Leadership-Map: practice, profession and process of leadership. Finally, the author points out the latest developments in Positive Leadership. Like a good map, the book is very practice and reader-oriented: numerous case examples, many charts, exercises and tests present a vivid image of the complex material.

The Jungle Book. Ediz. a Colori Sep 17 2021

Into the Jungle Apr 24 2022 'Rundell's interpretation is glorious.' Kiran Millwood Hargrave *Into the Jungle* is a modern classic in the making, as Katherine Rundell creates charming and compelling origin stories for all Kipling's best-loved characters, from Baloo and Shere Khan to Kaa and Bagheera. As Mowgli travels through the Indian jungle, this brilliantly visual tale, which weaves each short story together into a wider whole, will make readers both laugh and cry. Rudyard Kipling's *The Jungle Book*, first published by Macmillan in 1894, is one of the most enduring books of children's literature, delighting generations of children. Katherine Rundell has taken this as the basis of her new and enchanting tale, sharing the early years of favourite characters and informing the creatures they become in Kipling's classic, with stories about family and friendship, loyalty and jungle law, and a final battle which will decide the future of the forest. A gorgeously produced paperback with a foiled cover and colour illustrations throughout by creative genius Kristjana S Williams, this is truly a book for all the family to treasure and share.

The Jungle Grows Back Nov 07 2020 "An incisive, elegantly written, new book about America's unique role in the world." --Tom Friedman, *The New York Times* A brilliant and visionary argument for America's role as an enforcer of peace and order throughout the world--and what is likely to happen if we withdraw and focus our attention inward. Recent years have brought deeply disturbing developments around the globe. American sentiment seems to be leaning increasingly toward withdrawal in the face of such disarray. In this powerful, urgent essay, Robert Kagan elucidates the reasons why American withdrawal would be the worst possible response, based as it is on a fundamental and dangerous misreading of the world. Like a jungle that keeps growing back after being cut down, the world has always been full of dangerous actors who, left unchecked, possess the desire and ability to make things worse. Kagan makes clear how the "realist" impulse to recognize our limitations and focus on our failures misunderstands the essential role America has played for decades in keeping the world's worst instability in check. A true realism, he argues, is based on the understanding that the historical norm has always been toward chaos--that the jungle will grow back, if we let it.

The Jungle Books Aug 29 2022 Presents the adventures of Mowgli, a boy reared by a pack of wolves and the wild animals of the jungle. Also includes other short stories set in India.

The Jungle Book Jan 10 2021 It was seven o'clock of a very warm evening in the Seeonee hills when Father Wolf woke up from his day's rest, scratched himself, yawned, and spread out his paws one after the other to get rid of the sleepy feeling in their tips. Mother Wolf lay with her big grey nose dropped across her four tumbling, squealing cubs, and the moon shone into the mouth of the cave where they all lived. "Augrh!" said Father Wolf. "It is time to hunt again." He was going to spring downhill when a little shadow with a bushy tail crossed the threshold and whined: "Good luck go with you, O Chief of the Wolves. And good luck and strong white teeth go with noble children that they may never forget the hungry in this world." It was the jackal-Tabaqui, the Dish-licker-and the wolves of India despise Tabaqui because he runs about making mischief, and telling tales, and eating rags and pieces of leather from the village rubbish-heaps. But they are afraid of him too, because Tabaqui, more than anyone else in the jungle, is apt to go mad, and then he forgets that he was ever afraid of anyone, and runs through the forest biting everything in his way. Even the tiger runs and hides when little Tabaqui goes mad, for madness is the most disgraceful thing that can overtake a wild creature. We call it hydrophobia, but they call it dewanee-the madness- and run."Enter, then, and look," said Father Wolf stiffly, "but there is no food here." "For a wolf, no," said Tabaqui, "but for so mean a person as myself a dry bone is a good feast. Who are we, the Gidur-log [the jackal people], to pick and choose?" He scuttled to the back of the cave, where he found the bone of a buck with some meat on it, and sat cracking the end merrily. "All thanks for this good meal," he said, licking his lips. "How beautiful are the noble children! How large are their eyes! And so young too! Indeed, indeed, I might have remembered that the children of kings are men from the beginning."

Rumble in the Jungle May 02 2020 Come into the jungle for a noisy, rhyming animal adventure in this colourful read-aloud board book! There's a rumble in the jungle, There's a whisper in the trees, The animals are waking up, And rustling the leaves ... From the author of international bestseller *Giraffes Can't Dance*.

The Second Jungle Book Jun 14 2021 *The Second Jungle Book* is a sequel to *The Jungle Book* by Rudyard Kipling. First published in 1895, it features five stories about Mowgli and three unrelated stories, all but one set in India, most of which Kipling wrote while living in Vermont. All of the stories were previously published in magazines in 1894-5, often under different titles. The original book is now worth \$3.4 million. The 1994 film *The Jungle Book* used this book as a source. Each story is followed by a related poem.

The President of the Jungle Jan 28 2020 In this fabulous and funny introduction to how elections work, the animals decide they are tired of their king and that it is time to vote for a president. Lion may be King of the jungle, but lately he only seems to care about himself. His subjects are fed up, so they decide to try something new--hold an election! Once Owl explains the rules, the fun begins, and Snake, Sloth, and Monkey all announce they will be candidates. But oh no, Lion is going to run too! It's a wild campaign season as the animals hold rallies, debate, and even take a selfie or two, trying to prove why they'd make the best president of the jungle. This funny, non-partisan story features lively illustrations, a helpful glossary, and colorful characters who have an infectious enthusiasm for the election process.

Over in the Jungle Sep 05 2020 "A counting and singing approach for young children to learn and appreciate the animals of the tropical rainforest"--Provided by publisher.

Rumble in the Jungle Jul 16 2021 This chunky board book edition of a bestselling picture book is packed with favourite animals. So come into the jungle for a noisy, rhyming animal romp all little ones will love.

Voices from the 'Jungle' Jun 02 2020 Often called the 'Jungle', the refugee camp near Calais in Northern France epitomises for many the suffering, uncertainty and violence which characterises the situation of refugees in Europe today. But the media soundbites we hear ignore the voices of the people who lived there - people who have travelled to Europe from conflict-torn countries such as Syria, Sudan, Afghanistan and Eritrea: people with astounding stories, who are looking for peace and a better future. *Voices from the 'Jungle'* is a collection of these stories. Through its pages, the refugees speak to us in powerful, vivid language. They reveal their childhood dreams and struggles for education; the wars and persecution that drove them from their homes; their terror and strength during their extraordinary journeys. They expose the reality of living in the camp; tell of their lives after the 'Jungle' and their hopes for the future. Through their stories, the refugees paint a picture of a different kind of 'Jungle': one with a powerful sense of community despite evictions and attacks, and of a solidarity which crosses national and religious boundaries. Illustrated with photographs and drawings by the writers, and interspersed with poems, this book must be read by everyone seeking to understand the human consequences of this world crisis.

Art of the Jungle Book Oct 26 2019 The Art of The Jungle Book provides an in-depth look at Disney's latest film. Dazzling concept art, behind-the-scenes photography, CG designs, and more come together to highlight the visual spectacle of the film. Delving into the film's interpretation of iconic Jungle Book elements, from beloved characters such as Baloo to the jungle itself, the book lavishly illustrates the magic behind the art of the film.

The Second Jungle Book Jul 04 2020 Presents the further adventures of Mowgli, a boy reared by a pack of wolves, and the wild animals of the jungle. Also includes other short stories set in India.

The Jungle Book: Ladybird Readers Level 3 Mar 31 2020 Ladybird Readers is an ELT graded reader series for children aged 3-11 learning English as a foreign or second language. The series includes traditional tales, popular characters, modern stories, and non-fiction. - Beautifully illustrated books, carefully written by language learning experts. - Structured language progression to develop children's reading, writing, speaking, listening and critical thinking skills. - Eight levels follow the Common European Framework of Reference for language learning (CEFR). - Language activities provide preparation for the Cambridge English Pre-A1 to A2 (YLE) tests. - A unique code in each printed book provides access to online audio, extra activities and learning resources. The Jungle Book, a Level 3 Reader, is A1+ in the CEFR framework and includes practice for the Cambridge English A1 Movers tests. The longer text is made up of sentences with up to three clauses, some expression of future meaning, comparisons, contractions and relative clauses. Mowgli lived with the wolves in the jungle. But the wolves did not want him. "You are not strong because you are not a wolf, " they said. Visit the Ladybird Education website for more information.

jungle book Jul 28 2022

The Secret Life of Science Apr 12 2021 A revealing and provocative look at the current state of global science We take the advance of science as given. But how does science really work? Is it truly as healthy as we tend to think? How does the system itself shape what scientists do? The Secret Life of Science takes a clear-eyed and provocative look at the current state of global science, shedding light on a cutthroat and tightly tensioned enterprise that even scientists themselves often don't fully understand. The Secret Life of Science is a dispatch from the front lines of modern science. It paints a startling picture of a complex scientific ecosystem that has become the most competitive free-market environment on the planet. It reveals how big this ecosystem really is, what motivates its participants, and who reaps the rewards. Are there too few scientists in the world or too many? Are some fields expanding at the expense of others? What science is shared or published, and who determines what the public gets to hear about? What is the future of science? Answering these and other questions, this controversial book explains why globalization is not necessarily good for science, nor is the continued growth in the number of scientists. It portrays a scientific community engaged in a race for limited resources that determines whether careers are lost or won, whose research visions become the mainstream, and whose vested interests end up in control. The Secret Life of Science explains why this hypercompetitive environment is stifling the diversity of research and the resiliency of science itself, and why new ideas are needed to ensure that the scientific enterprise remains healthy and vibrant.

A Collection of Rudyard Kipling's Just So Stories Oct 07 2020 How did the rhinoceros get his wrinkly skin? Why won't cats come when they're called? How did one curious elephant change the lives of all elephants? These eight best-loved stories give answers to these and other intriguing questions.

The Jungle Book Aug 17 2021 The Jungle Book is a collection of stories by English author Rudyard Kipling. The tales in the book are fables, using animals in an anthropomorphic manner to give moral lessons. The verses of The Law of the Jungle, for example, lay down rules for the safety of individuals, families and communities. Kipling put in them nearly everything he knew or "heard or dreamed about the Indian jungle." Other readers have interpreted the work as allegories of the politics and society of the time. The best-known of them are the three stories revolving around the adventures of an abandoned "man cub" Mowgli who is raised by wolves in the Indian jungle. The most famous of the other stories are probably "Rikki-Tikki-Tavi", the story of a heroic mongoose, and "Toomai of the Elephants", the tale of a young elephant-handler.

Usborne Book and Jigsaw Sep 25 2019 This delightful pack contains a 100-piece jigsaw of a lively jungle scene for children to assemble, as well as a 24-page picture puzzle book teeming with animals that can be found in tropical rainforests. The Jungle Book Dec 01 2022

Down in the Jungle Feb 29 2020 Down in the jungle where nobody goes, there is something very exciting going on! Find out by looking through the die-cut holes on each page, and join in with the well-loved song.

Rumble in the Jungle Jan 22 2022 Come into the jungle for a noisy, rhyming animal adventure in this colourful read-aloud picture book! There's a rumble in the jungle, There's a whisper in the trees, The animals are waking up, And rustling the leaves ... Little ones will love looking at the colourful pictures and joining in with all the great sound words, as they discover lots of exciting jungle animals. Including lions, elephants, chimpanzees, zebras, hippos and more! Each page introduces a different animal, with a short read-aloud rhyme. From the author of international bestseller Giraffes Can't Dance.

Welcome to the Jungle Aug 05 2020 An honest, relatable guide that can help you figure out how to live your life with bipolar disorder, from a bipolar author. Welcome to the Jungle focuses on bipolar people, not the diagnosis: the ways in which each person can find his or her own way through the extreme emotional states and intense experiences that we are calling "bipolar" —whether that means medication or meditation, psychiatrists or vision quests, good sleep or good all-night dancing, or a little bit of everything. Many bipolar books are too clinical, too alarmist, and too clearly written for family members and caretakers of people diagnosed with this mood disorder. Welcome to the Jungle is different. Author Hilary Smith wrote this guide because it is the book she wishes she'd been given when she was first diagnosed with bipolar disorder. It answers questions, points to resources, and most of all, comes from someone who understands what it's like to be thrown off course by an overwhelming mental health issue—and what to do afterwards. Just like for everyone else, there are many, many paths that bipolar people can take in life. Learn more about how to live your own life with a mental illness using the help of the insights in Welcome to the Jungle, which covers topics such as: Wrapping your head around triggers, causes of mood swings, medications, and therapists Recovering from mental breakdowns, manic moments, and major depressive episodes Living your life beyond the diagnosis—and helping your family to do the same This book is not intended to diagnose, treat, or prevent any illness or act as a substitute for advice from a doctor or psychiatrist. Praise for Welcome to the Jungle "Among the wealth of works on bipolar, this title (wisely pulled from a Guns N' Roses lyric) nicely stands out as a super reference for younger readers interested in or actually experiencing bipolar disorder and is also a valuable resource for professionals." —Library Journal

The Jungle Oct 19 2021 Out of the morning mist a vast ocean of leaves appears. What lies beneath--the varied and teeming life of animals and plants--is vividly portrayed through the cycle of day and night in the jungle world. Considered Helen

Borten's masterpiece, *The Jungle* was inspired by a trip to Guatemala in 1967, when few others were going there--let alone a woman--to seek out images and stories to share with children back in the US.

My Awesome Jungle Book Feb 08 2021 Jungle-themed book with two-way sequin cover.

Can You Survive the Jungle? Dec 21 2021 "Describes the fight for survival in the jungle"--Provided by publisher.

Spirit of the Jungle Nov 19 2021 Could you survive in the jungle? After being washed away down the Wainganga River during a flash flood, Mak wakes up alone in the Indian jungle. The jungle is full of danger - poisonous snakes, cunning monkeys and desperate poachers - and every step Mak takes might be his last. Mak finds help and friendship from other jungle creatures, but he will need all his skill and luck to survive and make his way back home. *Spirit of the Jungle* is a heart-stopping contemporary adventure inspired by Rudyard Kipling's classic *The Jungle Book*, from real-life adventurer Bear Grylls.

The Jungle Book Dec 09 2020 The classic tale of the *Jungle Book* is much loved by people all over the world. Now, this classic story has been re-imagined as a colouring book with stunning illustrations by Fabiana Attansio so young readers can rediscover the love, loyalty and friendship the tale inspires. Gorgeous line drawings throughout bring this tale alive for a whole new generation as they colour in the story and get to know these memorable characters. AUTHOR: After completing her diploma in illustration Manuela Adreani worked as a graphic artist and animator. After winning a scholarship for a master course in animation at Turin s IED, she worked for the Lastrego e Testa studio on TV series produced and broadcast by Italy s RAI television: *Le avventure di Aladino*, *Amita della Giungla* and also on *La Creazione*, based on the book by Carlo Fruttero. In 2011, she began a career as a freelance illustrator, working with Benchmark and Scholastic India and was one of the winners of the illustration contest organized for the 100th anniversary of Pinocchio. For White Star Kids she has created the illustrations for: *Alice in Wonderland*, *Pinocchio* and *Snow White* among others.

The Jungle Book Jan 02 2023

The Jungle Book (With the Original Illustrations by John L. Kipling) May 14 2021 *The Jungle Book* is a collection of stories. The tales in the book are fables, using animals in an anthropomorphic manner to give moral lessons. The verses of *The Law of the Jungle*, for example, lay down rules for the safety of individuals, families and communities. Kipling put in them nearly everything he knew or "heard or dreamed about the Indian jungle." The best-known of them are the three stories revolving around the adventures of an abandoned "man cub" Mowgli who is raised by wolves in the Indian jungle. The most famous of the other four stories are probably "Rikki-Tikki-Tavi", the story of a heroic mongoose, and "Toomai of the Elephants", the tale of a young elephant-handler. As with much of Kipling's work, each of the stories is preceded by a piece of verse, and succeeded by another. "*The Second Jungle Book*" is a sequel which features five stories about Mowgli and three unrelated stories, all but one set in India, most of which Kipling wrote while living in Vermont. Rudyard Kipling (1865-1936) was an English short-story writer, poet, and novelist. He wrote tales and poems of British soldiers in India and stories for children. He is regarded as a major innovator in the art of the short story; his children's books are classics of children's literature; and one critic described his work as exhibiting "a versatile and luminous narrative gift".
