Social Assistance in Albania Dec 01 2022

Albania provides a small amount of social assistance to nearly 20% of its population through a system which allows a degree of community discretion in determining distribution. This study investigates the poverty targeting of this program. It indicates that relative to other safety net programs in low income countries, social assistance in Albania is fairly well targeted to the poor.

*Tibet* Apr 12 2021 Exploring ethnic Tibet independently is a challenge. With the 'land of snows' having some of the wildest and roughest road routes in high Asia, motoring, mountain-

biking and trekking options are all given due attention in this new edition. High quality, numerous maps set this guide apart from other guides on Tibet and the trekking section has been expanded to include more on the main treks, including Everest Base Camp, Genden to Samye, Namtso trek and Kailiash region treks. Particular attention has been paid to the Amdo and Kham regions, not usually covered in guidebooks. Political and cultural issues make Tibet a sensitive destination for Westerners, so Michael Buckley's authoritative advice includes guidelines on cultural etiquette, local customs, and travelling with minimum impact on the culture and environment. The chapter on language includes a section covering Tibetan script.

**Original Pontiac Firebird and Trans Am 1967-2002** Aug 05 2020 Following Ford and Chevrolet, Pontiac entered the pony car market in 1967 and came up with one of the best and most successful muscle cars ever produced. Though based on the Camaro chassis, the Firebird offered unique features and high performance, and over its nearly 40 years of production it continued to wow drivers--as it does today. This book details the Firebird's long and illustrious career. With high-quality, detailed color photographs of some of the finer models--both originals and faithful restorations--the book is at once a unique history and a restoration guide to all four generations of the Firebird. Pictures and text profile the correct parts, finishes, options, and trim pieces for various models. The book also covers the vehicle's wide variety of engine options, along with all special editions and model variations from the Firebird's introduction in 1967 to the final model in 2002.
