Since the first edition of this book in 1996, the English legal system has undergone major and comprehensive changes. As a result of these profound changes, this second edition has been thoroughly updated to include presentation and analysis of three landmark pieces of legislation: the Access to Justice Act 1999, the Civil Procedure Rules 1998 and the Human Rights Act 1998. Other changes abound: the Auld Committee has undertaken a root and branch review of the criminal justice system. The Crown Prosecution Service has
