Un íntimo, poderoso e inspirador libro de memorias de la ex primera dama de Estados Unidos Protagonista de una vida plena y exitosa, Michelle Obama se ha convertido en una de las mujeres más icónicas y cautivadoras de nuestra era. Como primera dama de los Estados Unidos de América, y primera afroamericana en desempeñar esa función, contribuyó a que la Casa Blanca alcanzara sus mayores cotas de apertura y pluralidad de la historia; se erigió en destacada defensora de las mujeres y las niñas en Estados Unidos y en el resto del mundo, introdujo cambios drásticos encaminados a promover una vida saludable y activa en las familias, y acompañó a su esposo cuando el país atravesaba algunos de los momentos más desgarradores de su historia. Por el camino nos enseñó pasos de baile, causó furor en *Carpool Karaoke* y consiguió criar a dos hijas con los pies en la tierra bajo el implacable escrutinio de los medios de comunicación. En sus memorias, profundamente reflexivas y cautivadoras, Michelle Obama invita al lector a entrar en su mundo relatando las experiencias que han forjado su carácter, desde su infancia en la zona sur de Chicago, hasta los años que vivió en la residencia más famosa del mundo, pasando por su etapa como alta directiva, durante la que tuvo que compaginar la maternidad con la vida profesional. Haciendo gala de una honestidad a toda prueba y de un ingenio vivaz, describe sus logros y decepciones tanto en la esfera pública como en la privada, y narra sin ambages la historia de su vida, con sus propias palabras y en sus propios términos. Cálido, lúcido y revelador, *Becoming* es un relato excepcionalmente íntimo de una mujer de gran moralidad y valía, que una vez y otra ha superado todas las expectativas y cuya historia nos inspira a seguir su ejemplo. ENGLISH DESCRIPTION Michelle Obama *BECOMING* Film to Be Released Globally by Netflix. An intimate, powerful, and inspiring memoir by the former First Lady of the United States In a life filled with meaning and accomplishment, Michelle Obama has emerged as one of the most iconic and compelling women of our era. As First Lady of the United States of America—the first African-American to serve in that role—she helped create the most welcoming and inclusive White House in history, while also establishing herself as a powerful advocate for women and girls in the U.S. and around the world, dramatically changing the ways that families pursue healthier and more active lives, and standing with her husband as he led America through some of its most harrowing moments. Along the way, she showed us a few dance moves, crushed *Carpool Karaoke*, and raised two down-to-earth daughters under an unforgiving media glare. In her memoir, a work of deep reflection and mesmerizing storytelling, Michelle Obama invites readers into her world, chronicling the experiences that have shaped her—from her childhood on the South Side of Chicago to her years as an executive balancing the demands of motherhood and work, to her time spent at the world's most famous address. With unerring honesty and lively wit, she describes her triumphs and her disappointments, both public and private, telling her full story as

she has lived it—in her own words and on her own terms. Warm, wise, and revelatory, *Becoming* is the deeply personal reckoning of a woman of soul and substance who has steadily defied expectations—and whose story inspires us to do the same. Because he can only speak Spanish, Francisco, son of a migrant worker, has trouble when he begins first grade, but his fascination with the caterpillar in the classroom helps him begin to fit in. In SPANISH. *Leviatán o La materia, forma y poder de una república eclesiástica y civil, comúnmente llamado Leviatán* (en inglés *Leviathan*), es el libro más conocido del filósofo político inglés Thomas Hobbes, publicado en 1651. El título del libro hace referencia al monstruo bíblico Leviatán, que posee un poder descomunal ("Nadie hay tan osado que lo despierte. De su grandeza tienen temor los fuertes. No hay sobre la Tierra quien se le parezca, animal hecho exento de temor. Menosprecia toda cosa alta; es rey sobre todos los soberbios). En este libro, Hobbes establece su doctrina de derecho moderno como la base de las sociedades y de los gobiernos legítimos, puede entenderse como una justificación filosófica de la eliminación del Estado absoluto, a la vez que como la proposición teórica del contrato social y autoritarismo estatal. (Willis). Each book in this series contains short warm-up exercises to be played at the beginning of the student's practice session. Performing these technical exercises will help develop strong hands and flexible fingers. *Un Árbol Es Hermoso* "Los árboles son hermosos", dice Janice May Udry en éste, su primer libro para niños, y nos aclara que es bello tener aunque sea un solo árbol. Los alegres dibujos de Marc Simont acentúan el encanto infantil de las palabras de la autora y muestran cuán hermosos son los árboles. El español es la cuarta lengua más hablada en el mundo y el idioma de una cada vez mayor importancia en los Estados Unidos de América. En lo que esperábamos resultara la introducción a la historia de la lengua española, David Pharies, clara y conscientemente, trazó la evolución del español desde sus raíces indo-europeas hasta su estado actual. Un reconocido experto internacional en la historia y el desarrollo de esta lengua, Pharies presenta sobre este tema un sentido preciso de lo que los estudiantes de español necesitan saber. Después de los capítulos introductorios de lo que significa el estudio de la historia de una lengua, el concepto del cambio lingüístico y de la naturaleza de las familias lingüísticas, Pharies hace un seguimiento al desarrollo del español desde sus raíces latinas, todo ello con una mínima cantidad de lenguaje técnico posible. En las secciones centrales del libro, los lectores son llevados por una presentación sucinta, comprometedor y admirable, de la genealogía y desarrollo de la lengua incluyendo explicaciones de las estructuras y peculiaridades del latín, los eventos históricos y culturales que influenciaron profundamente la forma del lenguaje, la naturaleza del español medieval, los mitos lingüísticos formando parte del español y el desarrollo de la lengua más allá de la península ibérica, en particular, en el continente americano. Centrándose en las más importantes facetas de la evolución de la lengua, esta obra concisa hace que la historia del español sea accesible a todos, con una comprensión del mismo y una disposición para entender los conceptos básicos

del lenguaje. Disponible en ambas ediciones, inglés y español, *Una Breve Historia de la Lengua Española*, nos brinda una extraordinaria introducción a la fascinante historia de una de las más importantes lenguas del mundo. Spanish is the fourth most widely spoken language in the world and a language of ever-increasing importance in the United States. In what will likely become the introduction to the history of the Spanish language, David Pharies clearly and concisely charts the evolution of Spanish from its Indo-European roots to its present form. An internationally recognized expert on the history and development of this language, Pharies brings to his subject a precise sense of what students of Spanish linguistics need to know. After introductory chapters on what it means to study the history of a language, the concept of linguistic change, and the nature of language families, Pharies traces the development of Spanish from its Latin roots, all with the minimum amount of technical language possible. In the core sections of the book, readers are treated to an engaging and remarkably succinct presentation of the genealogy and development of the language, including accounts of the structures and peculiarities of Latin, the historical and cultural events that deeply influenced the shaping of the language, the nature of Medieval Spanish, the language myths that have become attached to Spanish, and the development of the language beyond the Iberian Peninsula, especially in the Americas. Focusing on the most important facets of the language's evolution, this compact work makes the history of Spanish accessible to anyone with a knowledge of Spanish and a readiness to grasp basic linguistic concepts. Available in both English and Spanish editions, *A Brief History of the Spanish Language* provides a truly outstanding introduction to the exciting story of one of the world's great languages. In the building of character and individuality, the memory plays an important part, for upon the strength of the impressions received, and the firmness with which they are retained, depends the fibre of character and individuality. Our experiences are indeed the stepping stones to greater attainments, and at the same time our guides and protectors from danger. New Thought proponents at the turn of the new era sought to use mysticism to unleash the forces of the universe in themselves. One of the most influential thinkers of this early "New Age" philosophy promises here, in this book, to show the reader how to cultivate the memory in such a way as to improve one's entire life. Atkinson's method is not geared to mere recollection of facts: it encourages a holistically "correct seeing, thinking, and remembering." With secrets hidden for almost a century, this book will teach you to train the eye as well as the ear to improve your ability to recall names, faces, numbers, music, facts, and much more.

Henry y Pushcart. Uno de los mejores libros del año según The Times Descendiente de una larga dinastía de guerreras y cruzadas, Marie es demasiado ruda y rebelde para la vida palaciega, por lo que acaba siendo expulsada de la corte y enviada a los lodazales de Inglaterra para que asuma el rol de priora de una abadía venida a menos. Al llegar, encuentra un panorama desolador donde reinan la inanición y el chismorreó. Marie añora la comodidad de la corte francesa, y también a su amante secreta, Cecily. Sin embargo, al poco tiempo se dará cuenta de que sus nuevas obligaciones le otorgan más poder del que jamás habría imaginado, un acceso a los conocimientos sobre plantas medicinales y su propio sello de lacre para la correspondencia, que le permitirá cartearse confidencialmente con quien quiera. Tras Florida, finalista del National Book Award, Lauren Groff vuelve a sorprendernos con el retrato de María de Francia, un personaje fascinante y poco conocido de la historia que se ha convertido en ícono femenino. "New York Times One of our best American writers, Lauren Groff returns with her exhilarating first new novel since the groundbreaking *Fates and Furies*. Cast out of the royal court by Eleanor of Aquitaine, deemed too coarse and rough-hewn for marriage or courtly life, seventeen-year-old Marie de France is sent to England to be the new prioress of an impoverished abbey, its nuns on the brink of starvation and beset by disease. At first taken aback by the severity of her new life, Marie finds focus and love in collective life with her singular and mercurial sisters. In this crucible, Marie steadily supplants her desire for family, for her homeland, for the passions of her youth with something new to her: devotion to her sisters, and a conviction in her own divine visions. Marie, born the last in a long line of women warriors and crusaders, is determined to chart a bold new course for the women she now leads and protects. But in a world that is shifting and corroding in frightening ways, one that can never reconcile itself with her existence, will the sheer force of Marie's vision be bulwark enough? Equally alive to the sacred and the profane, *Matrix* gathers currents of violence, sensuality, and religious ecstasy in a mesmerizing portrait of consuming passion, aberrant faith, and a woman that history moves both through and around. Lauren Groff's new novel, her first since *Fates and Furies*, is a defiant and timely exploration of the raw power of female creativity in a corrupted world.
